REED BROS. CORTLAND, N. Y.
Phone Cortland SKYline 6-8421

Reed Bros. have done their part to furnish you with the best seed possible, but in common with all responsible seedsmen we do not in any way guarantee, or give our agents permission to guarantee, the resulting crop on any seeds that we send out; for this depends partly upon conditions of the soil, climate and weather, which are beyond our control, and upon proper cultivation, which is up to you. If the purchaser does not accept our seeds on these terms they are to be returned at once and the purchase price will be cheerfully refunded. Prices subject to change without notice. Orders booked subject to prior sale Cabbage seed sent postpaid. Field seed f. o. b. Cortland, N. Y.
